Page

Accident reports ... 6, 18, 31, 52, 64, 83, 89, 107

Air Coordinating Committee:
- Annual report of ... 25
- Air Traffic Control and Navigation Panel formed ... 88
- Air traffic control recommendations of RTCA accepted ... 49
- Civil Transport Aviation Evaluation and Development Board formed ... 111
- Congressional Aviation Policy Board recommendations ... 42
- Cornish, C. F., elected chairman of State-Local Advisory Panel ... 112
- Facilitation of International Aviation ... 28, 72
- NAV Panel ... 88
- O'Connell, Joseph J., Jr., designated chairman ... 101
- Recommendations of Technical Division to ICAO ... 110
- State-Local Advisory Panel ... 85, 112

Aircraft:
- Air Coordinating Committee report on aircraft industry ... 28
- Airframe production figures ... 70, 76, 86, 99, 118, 122, 141
- Amendments to Part 42, Civil Air Regulations ... 31
- CAB plane equipped with latest type instruments ... 7
- Civil aircraft, tabulation by States ... 43
- Congressional Aviation Policy Board recommendations ... 41
- Farm aircraft use ... 109
- Fire prevention ... 14
- Manufacturing, report on industry by President's Air Policy Commission ... 16
- Manufacturers to certify own products, proposal by CAA ... 50
- National Review Board for type certificates established ... 61
- Personal plane needed to win mass approval ... 74
- Regulation, study by CAA and Personal Aircraft Council ... 132
- Shipments ... 4, 21, 26, 47, 70, 76, 86, 99, 118, 122, 141
- Stall warning devices ... 12
- Statistical study of aircraft use ... 36, 43
- Transport plane production 1946-47 ... 5
- Type certificates issued in regions ... 112
- Use survey for 1946 ... 43
- Use survey for 1947—preliminary report ... 97

Airlines:
- Alaska-United States service studied by CAB ... 48
- Aleutian Islands route awarded by CAB ... 60
- Arizona-New Mexico area service extended by CAB ... 27
- BOAC granted Bermuda-Baltimore-Washington-New York route ... 17
- Bogota-New York route recommended for AVIANCA ... 96
- BSAAC granted Jamaica-Miami route ... 24
- Cargo of domestic certificated trunk lines in 1947 ... 59
- Cargo and passenger operations of international American flag carriers in first 7 months of 1948 ... 124
- Cargo and passenger traffic of 16 certificated air carriers for first 7 months of 1948 ... 111
- Challenger Airlines certificate extended ... 136
- Chicago-Houston route restrictions removed ... 122
- Coach-type service petition denied by CAB ... 123
- Continental Air Lines certificate amended ... 41
- Cruzeiro permit for service between Brazil and New York or Washington recommended ... 130
- Delta Airlines and PCA routes extended by CAB ... 26
- Fatality rate in 1947 ... 139
- Feeder line certificates, extension of studied by CAB ... 109
- Florida Airways route extension application denied ... 112
- Icelandic Airlines granted foreign air carrier permit ... 87
- Irish Airlines granted foreign air carrier permit ... 29
- Joint ticket sales by Northwest Airlines and American President Lines approved by CAB ... 70
- Johnstown service by TWA authorized ... 87
- Middle Atlantic area feeder line decision by CAB ... 38
- Minimum air freight rates set by CAB ... 60
- Mississippi Valley feeder routes extended ... 7
- Net income for second quarter of 1948 ... 137
- Pan American Airways authorized to operate from Pacific Northwest to Hawaii ... 129
- Philippine Airlines authorized to serve Guam ... 137
- President's Special Board of Inquiry on Air Safety, report of ... 14
- Revenue of 16 domestic trunk lines, fourth quarter 1947 ... 65
- Route problems discussed by CAB Chairman ... 137

Airmen:
- Flight engineers ... 53, 95, 132
- Glider pilots, tabulation by States ... 123
- Glider pilot and instructor ratings ... 98
- Helicopter and autogiro pilots, tabulation by States ... 123
- ICAO standards for airmen ... 63, 96
- Lighter-than-air pilots, tabulation by States ... 123
- Navigators, tabulation by States ... 98
- Pilot certificates issued ... 27, 47, 75
- Pilots, tabulation by States ... 77
- Radio operators, tabulation by States ... 98
- Student pilots ... 1

Air Navigation Development Board (ANDB) ... 61, 88

Airport Program:
- Airports at National Parks, Monuments and recreation areas ... 1
- Close-in airports, importance of to private fliers ... 85
- Farmers benefit from airport program ... 109
- Fort Worth Airport listed for grant ... 87
- Grant offers to sponsors ... 19, 87, 94
- Interior-Commerce Departmental Airport Committee ... 1
- Legislative History of the Federal Airport Act ... 96
- National Airport Plan for 1948 ... 26
- National Park airports ... 1
- Projects approved in 1947, report by T. P. Wright ... 1
- Public lands available for airport use ... 109
- Regulations for administering Airport Act simplified ... 37
- "Slope Line" Type Approach Light Approved ... 135
- Tung oil of value for landing strips ... 100
- Turf, use of in airport construction ... 120

Airports:
- Approach light contract for WNA and Los Angeles Municipal Airport ... 72
- Benefits to communities ... 50
- Capital for airport development ... 50
- Idlewild Airport opening ... 85
- International traffic problems of airport managers ... 51
- Lighting of small airports ... 3
- Lighting system increases night flying ... 3

Airports—Concluded
- Los Angeles Municipal Airport traffic ... 115, 131, 137
- Manila Runway Contract Let ... 136
- Miami International Airport traffic ... 71, 82
- Oakland Municipal Airport traffic ... 29, 42, 55, 71, 82, 95, 103, 115, 131, 137
- Operations at 43 selected airports for May 1948 ... 88
- San Francisco Municipal Airport traffic ... 29, 42, 55, 71, 82, 95, 103, 115, 131, 137
- Runway lighting for small airports ... 3
- Sources of airport revenues ... 50
- State-by-State record of airports by type ... 19, 39, 87, 124
- Taxiway lights for large airports tested ... 2
- Tung oil use on landing strips ... 100
- Turf use on airports ... 120
- United States owned land available for airports ... 109

Air mail:
- Chicago and Southern Air Lines rate proposed ... 86
- Conference procedure developed by CAB for mail rate cases ... 86
- Rates increased for five major airlines ... 53
- Southwest Airways mail rate set ... 62
- Ton-miles of air mail flown ... 74, 93, 98, 116, 117, 128, 129, 140, 141

Air marking:
- Blanche Noyes award presented Col. Jesse L. Dobbins ... 77
- Forest Service marks fire towers and look-out stations ... 51
- Installations in 1947 and 1948 ... 139
- North-South skyway designated ... 12
- Skyways air-marked ... 5
- Seattle-Boston skyway designated skyway No. 2 ... 39
- Skyway 99 designated from Vancouver to San Diego ... 62
- Skyway 101 designated from Seattle to Los Angeles ... 62
- Volunteers aid program ... 113

Alaska:
- Airports at Anchorage and Fairbanks ... 111
- Inside route to Alaska recommended ... 75
- Lample, Chris, appointed Administrator of Alaska airports ... 119
- Proposed exemption for certain cargo air carriers ... 48
- Seaplane bases in Alaska ... 70
- Service between Alaska and the United States investigated by CAB ... 48

C

Civil Aeronautics Administration:
- Airport program ... 1, 19, 26, 37, 85, 94, 96, 111, 120
- Anti-noise campaign of CAA ... 4, 99
- Aviation education activities of CAA ... 15, 48, 73, 99
- Awards sought for two CAA employees ... 65
- CAA Air Traffic Controllers Aid Berlin Air Lift ... 134
- Changes in CAA structure and new appointments ... 121
- Civil Aviation and the Federal Government ... 74
- Congressional Aviation Policy Board recommendations ... 42
- Development of cross-wind landing gear ... 5, 49, 85, 87, 96
- Flight school certificates ... 37
- Flying Farmer in the Development of Personal Aircraft ... 109
- Ground code signals adopted by CAA ... 19
- Idlewild airport quarters for CAA ... 75
- Inter-American training program ... 24, 47
- Jet engine certificate issued by CAA ... 72
- Latin American students train at CAA center ... 47
- Lighting system developed for small airports ... 3
- Management study of CAA by New York firm ... 142
- Medical service of CAA ... 99, 100, 130
- Motion pictures on aviation ... 111
- National Review Board for aircraft type certificates ... 61
- Navy captain assigned as Special Assistant to the Administrator ... 137
- Non-scheduled Flying Advisory Committee ... 65, 73, 84
- Office of Aviation Safety formed ... 62
- Omnirange installations planned ... 48
- Philippine students train at CAA center ... 47
- Private plane industry, joint study of regulatory problems ... 132
- Releases issued by CAA ... 9, 21, 26, 38, 50, 62, 74, 89, 98, 110, 128, 134
- Rentzel, D. W., sworn in as Administrator of Civil Aeronautics ... 61
- Report of Administrator for 1947 ... 1
- Role of the CAA and the States in the Development of Civil Aviation ... 122
- Safety measures ... 5, 62, 73, 74, 84, 134
- Schools benefit from CAA aviation education program ... 15
- Skyways designated ... 5, 12, 39, 62
- South American missions ... 24, 97
- Stalls, study of by CAA ... 12
- Traffic patterns adjusted to reduce noise ... 117
- VHF receivers, cost cut by CAA contract ... 73
- Wright, T. P., resigns as Administrator ... 13

Civil Aeronautics Board:
- Adams, Russell, sworn in as Member of Board ... 65
- Air freight case reopened ... 132
- Air freight rates, minimum set by CAB ... 60
- Caribbean area, additional service authorized ... 112
- Chicago and Southern opinion reaffirmed ... 108
- Feeder line inspection by Chairman ... 76
- Fire safety program ... 88
- Flight engineers required ... 53, 95, 132
- Great Lakes area case, supplemental opinion ... 39
- Jones, Harold, sworn in as member of CAB ... 39
- Large Irregular Carriers, study of ordered ... 99
- National Airlines Case Scheduled ... 135
- O'Connell, Joseph J., Jr., sworn in as chairman ... 60
- Official actions ... 10, 22, 32, 44, 56, 66, 78, 90, 102, 114, 126, 138
- Pilot's certificate revoked following near-crash ... 136
- Releases ... 9, 21, 26, 38, 50, 62, 74, 89, 98, 110, 128, 134
- Safety Bureau, two bureaus established in place of ... 94
- Safety standards for nonscheduled carriers ... 31
- State liaison officer appointed ... 75
- St. Louis-Kansas City route award reaffirmed ... 108

Civil Air Regulations—Manuals:
- Air Regulations—Manuals ... 11, 23, 33, 45, 57, 67, 79, 91, 101, 113, 125, 139
- Flight engineers ... 53, 132
- Glider pilots and instructors ... 98
- Shallow turns below 500 feet permitted ... 117
- Spin and stall tests ... 121

Civil Aviation Highlights ... 29, 42, 55, 71, 82, 95, 103, 115, 131, 137

Congressional Aviation Policy Board report ... 87

Index to Civil Aeronautics Journal—Concluded

E

Education and Training: — Page
- Bulletins for schools — 15
- Films — 15, 111
- Summer workshop programs in 26 colleges — 48
- Demonstration School Project Conference in Washington — 73

Engines:
- Jet engines certificated for commercial transport use — 72
- Production — 21, 30, 42, 60, 71, 76, 86
- Shipments — 21, 26, 30, 42, 47, 53, 60, 71, 76, 86, 99, 118, 141

F

Feeder Airlines:
- Arizona-New Mexico case — 27
- Extension of temporary certificates — 109
- Florida Airways route extension denied — 112
- Middle Atlantic case — 38
- Mississippi Valley feeder routes extended — 7
- State participation in route decisions — 123

Flight instructors, tabulation by States — 86
Flight school certificates, renewal of — 37
Flight surgeons — 100
Freight forwarders — 119

I

Industrial Flying:
- Crop dusting and spraying — 84, 109, 137

International Aviation:
- Airport managers, problems of, at international airports — 51
- Agreements with Colombia, Ecuador, and Bolivia — 24
- BOAC granted Bermuda-Baltimore-Washington-New York route — 17
- BSAAC granted permit for route between Jamaica and Miami — 24
- Bogota-New York route recommended for AVIANCA — 96
- Fatality rate in 1947 low — 139
- Canadian-United States traffic — 111
- Icelandic Airlines granted foreign air-carrier permit — 87
- Irish Airlines granted permit — 29
- Latin American missions — 24, 97
- Scandinavian Airlines system organized — 9

International Civil Aviation Organization (ICAO):
- Facilitation of traffic at national borders — 36
- Insurance agreement sought — 96
- International standards and recommended practices — 63
- Measurements, ICAO table of units — 75
- Ocean weather station network — 110, 131
- Regional meetings — 110
- Schedule of meetings — 36

L

Landing Gear:
- Accident prevention by cross-wind landing gear — 97
- CAA development of cross-wind landing gear — 5
- Cross-wind gear boosts pilots' confidence — 87
- Demonstration at International Air Exposition — 85
- Demonstration at Washington National Airport — 49
- Type certificate presented at Idlewild show — 96

Landing and Navigation Aids:
- Air Navigation and Development Board established — 61
- Airport lighting — 2, 3, 135
- Air Traffic Control and Navigation Panel formed by ACC — 88
- All-weather flying system — 61, 74, 94, 121, 133
- CAB plane equipped with latest instruments — 7
- Equipment demonstrated at RTCA show in Indianapolis — 121, 133
- GCA contracts let for eight airports — 53
- ICAO recommendations — 110
- VHF — 30, 43, 48, 49, 74, 108, 121, 124, 133

Legislation:
- Air Coordinating Committee recommendations — 25
- Congressional Aviation Policy Board recommendations — 37
- President's Air Policy Committee recommendations — 13
- Safety regulation — 94
- State legislation — 30, 76, 122, 123

M

Maps and Charts:
- Chicago aeronautical chart published — 48
- Dallas-Fort Worth aeronautical chart published — 48
- ICAO recommendations — 63
- ILS charts — 60
- Omnirange facilities shown on new type chart — 123

N

Noise:
- Anti-noise campaign of CAA — 4, 117
- Measurement of sound levels — 99
- Traffic patterns adjusted by CAA agents — 117

Non-Scheduled Air Carriers:
- Air freight case reopened — 132
- Coach service petitions rejected by CAB — 123
- Irregulars suspended for failure to file reports — 25
- Large irregular carriers, investigations by CAB — 99
- Minimum safety requirements for — 31

Non-Scheduled Flying Advisory Committee:
- Appointments to committee — 29, 65
- June meeting — 73
- New members meet with committee — 84

P

Personal News Items:
- Alger, Miss Kay, appointed confidential assistant to Chairman — 76
- Andrews, William K., appointed Director, Safety Investigation Bureau, CAB — 94
- Behncke, David L., appointed member, National Research Council Committee on Aviation Psychology — 7
- Chamberlin, John W., appointed Director, Safety Regulation Bureau, CAB — 94
- Gewirtz, Stanley, resigns as Executive Assistant to Chairman — 72

Personal News Items—Concluded — Page
- Haldeman, G. W., appointed Director, CAA Aircraft Service — 120
- Hook, H. Arthur, appointed Superintendent, Airports Branch, Sixth Region — 132
- Horne, Capt. Chas. F., assigned as Special Assistant to the Administrator — 137
- Kemp, S. A., appointed Director, Office of Aviation Development — 132
- Lample, Chris, appointed Administrator of Alaska airports — 119
- Marriott, Joseph S., appointed, Director, Office of Aviation Safety — 121
- O'Connell, Joseph J., Jr., sworn in as CAB Chairman — 60
- Price, Vice Adm. John Dale, appointed member, NACA — 27
- Stanton, Charles I., resigns as Deputy Administrator — 2
- Vigna, Pietro, decorated by Peruvian Government — 106
- Waldo, Richard K., appointed planning officer — 30
- Ward, Earl F., appointed traffic control expert at Chicago — 119

Private Flying:
- Alaska, inside route to Alaska recommended — 75
- Business is foremost incentive to flying — 133
- Canadian-United States traffic — 111
- Family type plane on increase — 108
- Farm use of aircraft — 84, 109
- Personal plane to win mass approval needed — 74
- Rancher flies 32,000 miles in year — 63
- Regulation of personal plane industry — 132
- VHF receivers for private fliers — 73, 108
- President's Air Policy Commission report — 13

Publications:
- CAA publications listed — 39, 118
- Aircraft Use in 1946 — 43
- Aircraft Use in 1947, preliminary report — 97
- Airline Distances Between Cities in the United States — 9
- Airline Traffic Survey — 112
- CAB Annual Report — 19
- Commercial Pilot Examination Kit — 49
- Comparative Cost of Air Carrier Capital — 131
- Facts of Flight — 12
- Flight Information Manual — 7, 15, 112
- Ground Code Signals for Air-borne Aid — 19
- Legislative History of the Federal Airport Act — 96
- Measurement of Sound Levels Associated With Aircraft, Highway and Railroad Traffic — 99
- NACA Technical Reports — 26
- Realm of Flight — 130
- RTCA publications — 27, 60, 75, 84, 86, 110, 119, 122, 128, 129, 135
- Safety Bulletins:
  - Buzzing—Jail Bait — 24
  - Cold Weather Safety — 120
  - Let's Look at Spin Crashes — 135
  - Runways Shrink — 89
- Statistical Study of Registered Aircraft — 36
- Technical Development Report No. 72, Spanish edition — 119

R

Rentzel, D. W.:
- Air navigation and traffic control program discussed — 85, 121
- Flying farmers in the development of civil aviation — 109
- Regulations and the promotion of safety — 134
- Role of the States in the development of civil aviation — 122
- Sworn in as Administrator of Civil Aeronautics — 61, 72
- Technical advances in aviation discussed — 125

S

Safety:
- Amendments affecting nonscheduled air carriers — 31
- Fire fighting equipment at airports — 88
- Glider pilot and instructor regulations — 98
- Minimum altitudes raised — 25
- President's Special Board of Inquiry on Air Safety, report of — 14
- RTCA recommendations on air traffic control — 49
- Safety measures by CAA — 5, 134
- Spin test requirements for pilots' examinations — 73, 98, 121
- Stalls and spins — 12, 73
- States, assistance in safety enforcement — 122, 123, 134

Skyways Designated — 12, 39, 62
Seaplane Bases:
- Seaplane Facilities Directory — 70

Statistics:
- Air cargo traffic — 111
- Aircraft production — 5, 26, 76, 86, 122
- Aircraft shipments — 4, 21, 26, 47, 70, 76, 86, 99, 118, 122, 141
- Aircraft use in 1946 — 43
- Aircraft use in 1947—preliminary report — 97
- Airframe production reports — 70, 76, 86, 99, 118, 122, 141
- Airline traffic survey — 112
- Airports, tabulation by States — 19, 39, 87, 124
- Carrier operations (domestic, territorial, international and overseas) — 8, 20, 34, 46, 58, 68, 80, 92, 104, 116, 128, 140
- Civil plane output in 1947 — 26
- Civil planes, State-by-State tabulation — 43, 106
- Control tower operators, tabulation by States — 98
- Dispatchers, tabulation by States — 98
- Engine shipments — 21, 26, 30, 42, 47, 53, 60, 71, 76, 86, 99, 118, 141
- Engineers, tabulation by States — 98
- Ground instructors, tabulation by States — 86
- Helicopter and autogiro pilots, tabulation by States — 123
- International traffic — 112
- Lighter-than-air pilots, tabulation by States — 123
- Navigators, tabulation by States — 98
- Ocean travel — 71, 112
- Parachute technicians, tabulation by States — 86
- Personal plane production 1946-47 — 5
- Pilot certificates issued — 27, 47, 75
- Pilots, tabulation by States — 77
- Radio equipment on personal planes — 65
- Radio operators, tabulation by States — 98
- Schools approved by CAA, tabulation by States — 100
- Trans-Atlantic passenger traffic — 71

W

Washington National Airport traffic — 24, 29, 36, 42, 53, 55, 71, 82, 95, 101, 103, 115, 131, 137
Weather Bureau — 28, 40
Weather stations in the North Atlantic — 131
